| Article Name               | ZA20D3 Polyclonal Antibody, PerCP-Cy5.5 Conjugated, PerCP/Cy5.5, Rabbit                                |
| Biozol Catalog Number      | BSS-BS-13560R-PERCP-CY5.5                                                                              |
| Supplier Catalog Number    | bs-13560R-PerCP-Cy5.5                                                                                  |
| Alternative Catalog Number | BSS-BS-13560R-PERCP-CY5.5-100                                                                          |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | IF, WB                                                                                                 |
| Conjugation                | PerCP/Cy5.5                                                                                            |
| Product Description        | ZA20D3 is a zinc-finger protein located on chromosome 15. It is associated with PRK1....               |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human ZA20D3                                             |
| Target                     | ZA20D3                                                                                                 |

|                    |                                                                                |
|--------------------|--------------------------------------------------------------------------------|
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200),<br>IF(ICC)(1:50-200) |
