| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | IF, WB                                                                                                 |
| Conjugation                | BF555                                                                                                  |
| Product Description        | ZADH2 belongs to the zinc containing alcohol dehydrogenase family....                                  |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human ZADH2                                              |
| Target                     | ZADH2                                                                                                  |
| Application Dilute         | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                            |
