| Article Name               | Claudin 12 Polyclonal Antibody, AbBy Fluor-350 Conjugated, BF350, Rabbit                                                                      |
| Biozol Catalog Number      | BSS-BS-13754R-BF350                                                                                                                           |
| Supplier Catalog Number    | bs-13754R-BF350                                                                                                                               |
| Alternative Catalog Number | BSS-BS-13754R-BF350-100                                                                                                                       |
| Manufacturer               | Bioss                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                    |
| Application                | FC, IF, WB                                                                                                                                    |
| Species Reactivity         | Mouse                                                                                                                                         |
| Conjugation                | BF350                                                                                                                                         |
| Product Description        | Plays a major role in tight junction-specific obliteration of the intercellular space, through calcium-independent cell-adhesion activity.... |
| Clonality                  | Polyclonal                                                                                                                                    |
| Concentration              | 1ug/ul                                                                                                                                        |
| NCBI                       | <a href="#">9069</a>                                                                                                                          |
| UniProt                    | <a href="#">P56749</a>                                                                                                                        |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from human Claudin 12                                         |
| Target             | Claudin 12                                                                                             |
| Application Dilute | WB(1:300-5000), FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)             |
