| Article Name               | CFC1 Polyclonal Antibody, FITC Conjugated, Rabbit                                                                                                           |
| Biozol Catalog Number      | BSS-BS-13873R-FITC                                                                                                                                          |
| Supplier Catalog Number    | bs-13873R-FITC                                                                                                                                              |
| Alternative Catalog Number | BSS-BS-13873R-FITC-100                                                                                                                                      |
| Manufacturer               | Bioss                                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                  |
| Application                | IF, WB                                                                                                                                                      |
| Species Reactivity         | Human                                                                                                                                                       |
| Conjugation                | FITC                                                                                                                                                        |
| Product Description        | NODAL coreceptor involved in the correct establishment of the left-right axis. May play a role in mesoderm and/or neural patterning during gastrulation.... |
| Clonality                  | Polyclonal                                                                                                                                                  |
| Concentration              | 1ug/ul                                                                                                                                                      |
| NCBI                       | <a href="#">55997</a>                                                                                                                                       |
| UniProt                    | <a href="#">P0CG37</a>                                                                                                                                      |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                     |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human CFC1                    |
| Target             | CFC1                                                                        |
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
