| Manufacturer               | Bioss                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                 |
| Category                   | Antikörper                                                                                                                             |
| Application                | FC, WB                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                  |
| Conjugation                | PE/Cy7                                                                                                                                 |
| Product Description        | CCL26 is a recently discovered CC chemokine. It binds to the CCR3 receptor and is highly chemotactic for eosinophils and basophils.... |
| Clonality                  | Polyclonal                                                                                                                             |
| Concentration              | 1ug/ul                                                                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                 |
| Source                     | KLH conjugated synthetic peptide derived from human CCL26                                                                              |
| Target                     | CCL26                                                                                                                                  |
| Application Dilute         | WB(1:300-5000), FCM(1:20-100)                                                                                                          |
