| Article Name               | CCL26 Polyclonal Antibody, AbBy Fluor-405 Conjugated, BF405, Rabbit                                                                        |
| Biozol Catalog Number      | BSS-BS-15513R-BF405                                                                                                                        |
| Supplier Catalog Number    | bs-15513R-BF405                                                                                                                            |
| Alternative Catalog Number | BSS-BS-15513R-BF405-100                                                                                                                    |
| Manufacturer               | Bioss                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                 |
| Application                | FC, IF, WB                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                          |
| Conjugation                | BF405                                                                                                                                      |
| Product Description        | Eotaxin 3 is a recently discovered CC chemokine. It binds to the CCR3 receptor and is highly chemotactic for eosinophils and basophils.... |
| Clonality                  | Polyclonal                                                                                                                                 |
| Concentration              | 1ug/ul                                                                                                                                     |
| NCBI                       | <a href="#">685958</a>                                                                                                                     |
| UniProt                    | <a href="#">D3ZQG2</a>                                                                                                                     |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                     |

|                    |                                                                                            |
|--------------------|--------------------------------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from rat CCL26                                    |
| Target             | CCL26                                                                                      |
| Application Dilute | WB(1:300-5000), FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
