| Alternative Catalog Number | BSS-BS-16099R-BF647-100                                                                                           |
| Manufacturer               | Bioss                                                                                                             |
| Host                       | Rabbit                                                                                                            |
| Category                   | Antikörper                                                                                                        |
| Application                | IF, WB                                                                                                            |
| Species Reactivity         | Mouse                                                                                                             |
| Conjugation                | BF647                                                                                                             |
| Product Description        | This protein is involved in the oxidative metabolism of a variety of xenobiotics such as drugs and pesticides.... |
| Clonality                  | Polyclonal                                                                                                        |
| Concentration              | 1ug/ul                                                                                                            |
| NCBI                       | <a href="#">2329</a>                                                                                              |
| UniProt                    | <a href="#">P31512</a>                                                                                            |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.            |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human FMO4                    |
| Target             | FMO4                                                                        |
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
