| Host                       | Rabbit                                                                                                                                                                                                         |
| Category                   | Antikörper                                                                                                                                                                                                     |
| Application                | WB                                                                                                                                                                                                             |
| Species Reactivity         | Mouse, Rat                                                                                                                                                                                                     |
| Conjugation                | PE/Cy5.5                                                                                                                                                                                                       |
| Product Description        | Probable S-adenosyl-L-methionine-dependent methyltransferase that catalyzes the formation of 5-methyl-uridine at position 54 (m5U54) in all tRNA. May also have a role in tRNA stabilization or maturation.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                     |
| Concentration              | 1ug/ul                                                                                                                                                                                                         |
| NCBI                       | <a href="#">79979</a>                                                                                                                                                                                          |
| UniProt                    | <a href="#">Q96GJ1</a>                                                                                                                                                                                         |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                                         |

|                    |                                                            |
