| Conjugation                | PerCP                                                                                                                                                                                                                                                         |
| Product Description        | Plays a role in cell adhesion, and in cohesion of the endothelial monolayer at intercellular junctions in vascular tissue. Its expression may allow melanoma cells to interact with cellular elements of the vascular system, thereby enhancing hematogene... |
| Clonality                  | Polyclonal                                                                                                                                                                                                                                                    |
