| Article Name               | GPN3 Polyclonal Antibody, RBITC Conjugated, Rabbit                                                                                        |
| Biozol Catalog Number      | BSS-BS-16278R-RBITC                                                                                                                       |
| Supplier Catalog Number    | bs-16278R-RBITC                                                                                                                           |
| Alternative Catalog Number | BSS-BS-16278R-RBITC-100                                                                                                                   |
| Manufacturer               | Bioss                                                                                                                                     |
| Host                       | Rabbit                                                                                                                                    |
| Category                   | Antikörper                                                                                                                                |
| Application                | IF, WB                                                                                                                                    |
| Species Reactivity         | Human                                                                                                                                     |
| Conjugation                | RBITC                                                                                                                                     |
| Product Description        | Small GTPase required for proper localization of RNA polymerase II (RNAPII). May act at an RNAP assembly step prior to nuclear import.... |
| Clonality                  | Polyclonal                                                                                                                                |
| Concentration              | 1ug/ul                                                                                                                                    |
| NCBI                       | <a href="#">51184</a>                                                                                                                     |
| UniProt                    | <a href="#">Q9UHW5</a>                                                                                                                    |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                    |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human GPN3                    |
| Target             | GPN3                                                                        |
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
