| Category                   | Antikörper                                                                                                                                                                                             |
| Application                | IF, WB                                                                                                                                                                                                 |
| Species Reactivity         | Human, Mouse                                                                                                                                                                                           |
| Conjugation                | BF680                                                                                                                                                                                                  |
| Product Description        | Component of the IRAK1-dependent TNFRSF1A signaling pathway that leads to NF-kappa-B activation and is required for cell survival. Acts by enhancing RELA transcriptional activity (By similarity).... |
| Clonality                  | Polyclonal                                                                                                                                                                                             |
| Concentration              | 1ug/ul                                                                                                                                                                                                 |
| NCBI                       | <a href="#">134728</a>                                                                                                                                                                                 |
| UniProt                    | <a href="#">Q5VVH5</a>                                                                                                                                                                                 |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from human IRAK1BP1.                                          |
| Target             | IRAK1BP1                                                                                               |
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                            |
