| Article Name               | IRGC Polyclonal Antibody, AbBy Fluor-488 Conjugated, BF488, Rabbit                                     |
| Biozol Catalog Number      | BSS-BS-16706R-BF488                                                                                    |
| Supplier Catalog Number    | bs-16706R-BF488                                                                                        |
| Alternative Catalog Number | BSS-BS-16706R-BF488-100                                                                                |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | IF, WB                                                                                                 |
| Species Reactivity         | Human, Rat                                                                                             |
| Conjugation                | BF488                                                                                                  |
| Product Description        | GTP + H <sub>2</sub> O = GDP + phosphate....                                                           |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| NCBI                       | <a href="#">56269</a>                                                                                  |
| UniProt                    | <a href="#">Q6NXR0</a>                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human RGC                                                |
| Target                     | IRGC                                                                                                   |

|                    |                                                                                |
|--------------------|--------------------------------------------------------------------------------|
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200),<br>IF(ICC)(1:50-200) |
