| Category                   | Antikörper                                                                                                                                                                                                 |
| Application                | IF                                                                                                                                                                                                         |
| Species Reactivity         | Monkey, Mouse, Rat                                                                                                                                                                                         |
| Conjugation                | BF680                                                                                                                                                                                                      |
| Product Description        | Involved in the packaging of pre-mRNA into hnRNP particles, transport of poly(A) mRNA from the nucleus to the cytoplasm and may modulate splice site selection. May play a role in HCV RNA replication.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                 |
| Concentration              | 1ug/ul                                                                                                                                                                                                     |
