| Alternative Catalog Number | BSS-BS-17330R-CY3-100                                                                                                                                                                                      |
| Manufacturer               | Bioss                                                                                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                                                                 |
| Application                | IF                                                                                                                                                                                                         |
| Species Reactivity         | Monkey, Mouse, Rat                                                                                                                                                                                         |
| Conjugation                | Cy3                                                                                                                                                                                                        |
| Product Description        | Involved in the packaging of pre-mRNA into hnRNP particles, transport of poly(A) mRNA from the nucleus to the cytoplasm and may modulate splice site selection. May play a role in HCV RNA replication.... |
| Clonality                  | Polyclonal                                                                                                                                                                                                 |
| Concentration              | 1ug/ul                                                                                                                                                                                                     |
| NCBI                       | <a href="#">3178</a>                                                                                                                                                                                       |
| UniProt                    | <a href="#">P09651</a>                                                                                                                                                                                     |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                                    |

|                    |                                                              |
|--------------------|--------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human hnRNP A1 |
| Target             | hnRNP A1                                                     |
| Application Dilute | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)  |
