| Article Name               | EAR1 POLYCLONAL ANTIBODY, Biotin Conjugated, Rabbit, Polyclonal                                               |
| Biozol Catalog Number      | BSS-BS-1754R-BIOTIN                                                                                           |
| Supplier Catalog Number    | bs-1754R-Biotin                                                                                               |
| Alternative Catalog Number | BSS-BS-1754R-BIOTIN-100                                                                                       |
| Manufacturer               | Bioss                                                                                                         |
| Host                       | Rabbit                                                                                                        |
| Category                   | Antikörper                                                                                                    |
| Application                | IHC-Fr, IHC-P, WB                                                                                             |
| Species Reactivity         | Mouse, Rat                                                                                                    |
| Conjugation                | Biotin                                                                                                        |
| Product Description        | Cytotoxin and helminthotoxin with ribonuclease activity. Possesses a wide variety of biological activities... |
| Clonality                  | Polyclonal                                                                                                    |
| Concentration              | 1ug/ul                                                                                                        |
| NCBI                       | <a href="#">13586</a>                                                                                         |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.       |
| Source                     | KLH conjugated synthetic peptide derived from mouse EAR1                                                      |
| Target                     | EAR1                                                                                                          |

|                    |                                                                   |
|--------------------|-------------------------------------------------------------------|
| Application Dilute | WB(WB=1:500-2000), IHC-P(IHC-P=1:100-500), IHC-F(IHC-F=1:100-500) |
|--------------------|-------------------------------------------------------------------|
