| Article Name               | Pectinesterase inhibitor 18 Antibody, AbBy Fluor-680 Conjugated, BF680, Rabbit, Polyclonal                    |
| Biozol Catalog Number      | BSS-BS-2219R-BF680                                                                                            |
| Supplier Catalog Number    | bs-2219R-BF680                                                                                                |
| Alternative Catalog Number | BSS-BS-2219R-BF680-100                                                                                        |
| Manufacturer               | Bioss                                                                                                         |
| Host                       | Rabbit                                                                                                        |
| Category                   | Antikörper                                                                                                    |
| Application                | IF, WB                                                                                                        |
| Conjugation                | BF680                                                                                                         |
| Product Description        | Pectinesterase inhibitor 18...                                                                                |
| Clonality                  | Polyclonal                                                                                                    |
| Concentration              | 1ug/ul                                                                                                        |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.        |
| Source                     | KLH conjugated synthetic peptide derived from Arabidopsis thaliana pectinesterase inhibitor 18 Pectinesterase |
| Target                     | Pectinesterase inhibitor 18                                                                                   |

|                    |                                                                                |
|--------------------|--------------------------------------------------------------------------------|
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200),<br>IF(ICC)(1:50-200) |
