| Alternative Catalog Number | BSS-BS-2487R-CY5.5-100                                                                                        |
| Manufacturer               | Bioss                                                                                                         |
| Host                       | Rabbit                                                                                                        |
| Category                   | Antikörper                                                                                                    |
| Application                | IF                                                                                                            |
| Species Reactivity         | Human, Mouse, Rat                                                                                             |
| Conjugation                | Cy5.5                                                                                                         |
| Product Description        | May play a role in the regulation of the immune system. Seems to play a role as an inhibitor of apoptosis.... |
| Clonality                  | Polyclonal                                                                                                    |
| Concentration              | 1ug/ul                                                                                                        |
| NCBI                       | <a href="#">922</a>                                                                                           |
| UniProt                    | <a href="#">O43866</a>                                                                                        |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.       |
| Source                     | KLH conjugated synthetic peptide derived from human CD5L                                                      |

|                    |                                                             |
|--------------------|-------------------------------------------------------------|
| Target             | CD5L                                                        |
| Application Dilute | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
