| Alternative Catalog Number | BSS-BS-2553R-BF350-100                                                                                                                                        |
| Manufacturer               | Bioss                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                    |
| Application                | IF, WB                                                                                                                                                        |
| Species Reactivity         | Human                                                                                                                                                         |
| Conjugation                | BF350                                                                                                                                                         |
| Product Description        | Chemotactic for B-lymphocytes but not for T-lymphocytes, monocytes and neutrophils. Does not induce calcium release in B-lymphocytes. Binds to BLR1/CXCR5.... |
| Clonality                  | Polyclonal                                                                                                                                                    |
| Concentration              | 1ug/ul                                                                                                                                                        |
| NCBI                       | <a href="#">10563</a>                                                                                                                                         |
| UniProt                    | <a href="#">O43927</a>                                                                                                                                        |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                        |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human CXCL13                  |
| Target             | CXCL13/BCA1                                                                 |
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
