## Product Datasheet

### Cytosine deaminase Polyclonal Antibody, RBITC Conjugated, Rabbit BSS-BS-2950R-RBITC

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Article Name               | Cytosine deaminase Polyclonal Antibody, RBITC Conjugated, Rabbit                                       |
| Biozol Catalog Number      | BSS-BS-2950R-RBITC                                                                                     |
| Supplier Catalog Number    | bs-2950R-RBITC                                                                                         |
| Alternative Catalog Number | BSS-BS-2950R-RBITC-100                                                                                 |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | IF                                                                                                     |
| Species Reactivity         | Yeast                                                                                                  |
| Conjugation                | RBITC                                                                                                  |
| Product Description        | Converts cytosine to uracil or 5-methylcytosine to thymine by deaminating carbon number 4....          |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| NCBI                       | <a href="#">856175</a>                                                                                 |
| UniProt                    | <a href="#">Q12178</a>                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |

|                    |                                                                                                                             |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from Saccharomyces cerevisiae (strain ATCC 204508 / S288c) Cytosine aminohydrolase |
| Target             | Cytosine deaminase                                                                                                          |
| Application Dilute | IF(ICC)(1:50-200)                                                                                                           |
