| Article Name               | phospho-p53BP1 (Ser25 + Ser29) Polyclonal Antibody, AbBy Fluor-680 Conjugated, BF680, Rabbit                                                                  |
| Biozol Catalog Number      | BSS-BS-3020R-BF680                                                                                                                                            |
| Supplier Catalog Number    | bs-3020R-BF680                                                                                                                                                |
| Alternative Catalog Number | BSS-BS-3020R-BF680-100                                                                                                                                        |
| Manufacturer               | Bioss                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                    |
| Application                | IF                                                                                                                                                            |
| Species Reactivity         | Mouse, Rat                                                                                                                                                    |
| Conjugation                | BF680                                                                                                                                                         |
| Product Description        | Plays a key role in the response to DNA damage. May have a role in checkpoint signaling during mitosis. Enhances TP53-mediated transcriptional activation.... |
| Clonality                  | Polyclonal                                                                                                                                                    |
| Concentration              | 1ug/ul                                                                                                                                                        |
| NCBI                       | <a href="#">7158</a>                                                                                                                                          |
| UniProt                    | <a href="#">Q12888</a>                                                                                                                                        |

|                    |                                                                                                               |
|--------------------|---------------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.        |
| Source             | KLH conjugated synthetic phosphopeptide derived from human p53BP1 around the phosphorylation site of Ser25/29 |
| Target             | phospho-p53BP1 (Ser25 + Ser29)                                                                                |
| Application Dilute | IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                                                   |
