| Article Name               | Phospho-CD19 (Tyr531) Polyclonal Antibody, PE Conjugated, Rabbit                                                                       |
| Biozol Catalog Number      | BSS-BS-3065R-PE                                                                                                                        |
| Supplier Catalog Number    | bs-3065R-PE                                                                                                                            |
| Alternative Catalog Number | BSS-BS-3065R-PE-100                                                                                                                    |
| Manufacturer               | Bioss                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                 |
| Category                   | Antikörper                                                                                                                             |
| Application                | FC, IF                                                                                                                                 |
| Species Reactivity         | Human                                                                                                                                  |
| Conjugation                | PE                                                                                                                                     |
| Product Description        | Assembles with the antigen receptor of B-lymphocytes in order to decrease the threshold for antigen receptor-dependent stimulation.... |
| Clonality                  | Polyclonal                                                                                                                             |
| Concentration              | 1ug/ul                                                                                                                                 |
| NCBI                       | <a href="#">930</a>                                                                                                                    |
| UniProt                    | <a href="#">P15391</a>                                                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                |

|                    |                                                                                                                       |
|--------------------|-----------------------------------------------------------------------------------------------------------------------|
| Source             | KLH conjugated synthetic phosphopeptide derived from human CD19 around the phosphorylation site of Tyr531 [DS(p-Y)EN] |
| Target             | Phospho-CD19 (Tyr531)                                                                                                 |
| Application Dilute | FCM(1:20-100), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200)                                            |
