## Product Datasheet

### **Phospho-DARPP32 (Thr34) Polyclonal Antibody, AbBy Fluor-555 Conjugated, BF555, Rabbit BSS-BS-3118R-BF555**

|                            |                                                                                                             |
|----------------------------|-------------------------------------------------------------------------------------------------------------|
| Article Name               | Phospho-DARPP32 (Thr34) Polyclonal Antibody, AbBy Fluor-555 Conjugated, BF555, Rabbit                       |
| Biozol Catalog Number      | BSS-BS-3118R-BF555                                                                                          |
| Supplier Catalog Number    | bs-3118R-BF555                                                                                              |
| Alternative Catalog Number | BSS-BS-3118R-BF555-100                                                                                      |
| Manufacturer               | Bioss                                                                                                       |
| Host                       | Rabbit                                                                                                      |
| Category                   | Antikörper                                                                                                  |
| Application                | IF, WB                                                                                                      |
| Conjugation                | BF555                                                                                                       |
| Product Description        | Inhibitor of protein-phosphatase 1....                                                                      |
| Clonality                  | Polyclonal                                                                                                  |
| Concentration              | 1ug/ul                                                                                                      |
| NCBI                       | <a href="#">84152</a>                                                                                       |
| UniProt                    | <a href="#">Q9UD71</a>                                                                                      |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.      |
| Source                     | KLH conjugated synthetic phosphopeptide derived from human DARPP32 around the phosphorylation site of Thr34 |

|                    |                                                                             |
|--------------------|-----------------------------------------------------------------------------|
| Target             | Phospho-DARPP32 (Thr34)                                                     |
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200), IF(ICC)(1:50-200) |
