| Article Name               | NCF1 Polyclonal Antibody, AbBy Fluor-488 Conjugated, BF488, Rabbit                                                                                 |
| Biozol Catalog Number      | BSS-BS-3886R-BF488                                                                                                                                 |
| Supplier Catalog Number    | bs-3886R-BF488                                                                                                                                     |
| Alternative Catalog Number | BSS-BS-3886R-BF488-100                                                                                                                             |
| Manufacturer               | Bioss                                                                                                                                              |
| Host                       | Rabbit                                                                                                                                             |
| Category                   | Antikörper                                                                                                                                         |
| Application                | FC, IF, WB                                                                                                                                         |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                  |
| Conjugation                | BF488                                                                                                                                              |
| Product Description        | NCF2, NCF1, and a membrane bound cytochrome b558 are required for activation of the latent NADPH oxidase (necessary for superoxide production).... |
| Clonality                  | Polyclonal                                                                                                                                         |
| Concentration              | 1ug/ul                                                                                                                                             |
| NCBI                       | <a href="#">653361</a>                                                                                                                             |
| UniProt                    | <a href="#">P14598</a>                                                                                                                             |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                             |

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human NCF1 |
| Target             | NCF1                                                     |
| Application Dilute | WB(1:300-5000), FCM(1:20-100), IF(ICC)(1:50-200)         |
