| Article Name               | WIF1 Polyclonal Antibody, APC-Cy5.5 Conjugated, APC/Cy5.5, Rabbit                                      |
| Biozol Catalog Number      | BSS-BS-3917R-APC-CY5.5                                                                                 |
| Supplier Catalog Number    | bs-3917R-APC-Cy5.5                                                                                     |
| Alternative Catalog Number | BSS-BS-3917R-APC-CY5.5-100                                                                             |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | IF, WB                                                                                                 |
| Conjugation                | APC/Cy5.5                                                                                              |
| Product Description        | Binds to WNT proteins and inhibits their activities. May be involved in mesoderm segmentation....      |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| NCBI                       | <a href="#">11197</a>                                                                                  |
| UniProt                    | <a href="#">Q9Y5W5</a>                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human WIF1                                               |
| Target                     | WIF1                                                                                                   |

|                    |                                                                                |
|--------------------|--------------------------------------------------------------------------------|
| Application Dilute | WB(1:300-5000), IF(IHC-P)(1:50-200), IF(IHC-F)(1:50-200),<br>IF(ICC)(1:50-200) |
