| Category                   | Antikörper                                                                                                                                                       |
| Application                | WB                                                                                                                                                               |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                |
| Conjugation                | PE/Cy5.5                                                                                                                                                         |
| Product Description        | AMY2A belongs to the glycosyl hydrolase 13 family. Catalytic activity: endohydrolysis of alpha-D-glucosidic linkages in oligosaccharides and polysaccharides.... |
| Clonality                  | Polyclonal                                                                                                                                                       |
| Concentration              | 1ug/ul                                                                                                                                                           |
| NCBI                       | <a href="#">279</a>                                                                                                                                              |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                           |
| Source                     | KLH conjugated synthetic peptide derived from human AMY2A                                                                                                        |

|                    |                |
|--------------------|----------------|
| Target             | AMY2A          |
| Application Dilute | WB(1:300-5000) |
