## Product Datasheet

### **SARS-CoV-2 N Polyclonal Antibody, AbBy Fluor-350 Conjugated, BF350, Rabbit BSS-BS-41417R-BF350**

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Article Name               | SARS-CoV-2 N Polyclonal Antibody, AbBy Fluor-350 Conjugated, BF350, Rabbit                             |
| Biozol Catalog Number      | BSS-BS-41417R-BF350                                                                                    |
| Supplier Catalog Number    | bs-41417R-BF350                                                                                        |
| Alternative Catalog Number | BSS-BS-41417R-BF350-100                                                                                |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | WB                                                                                                     |
| Species Reactivity         | Virus                                                                                                  |
| Conjugation                | BF350                                                                                                  |
| Clonality                  | Polyclonal                                                                                             |
| Concentration              | 1ug/ul                                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human Histone H1.2                                       |
| Target                     | SARS-CoV-2 N                                                                                           |
| Application Dilute         | WB(1:300-5000)                                                                                         |
