| Article Name               | TRXRD2/SELZ Polyclonal Antibody, Biotin Conjugated, Rabbit                                                                                           |
| Biozol Catalog Number      | BSS-BS-8628R-BIOTIN                                                                                                                                  |
| Supplier Catalog Number    | bs-8628R-Biotin                                                                                                                                      |
| Alternative Catalog Number | BSS-BS-8628R-BIOTIN-100                                                                                                                              |
| Manufacturer               | Bioss                                                                                                                                                |
| Host                       | Rabbit                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                           |
| Application                | ELISA, IHC-Fr, IHC-P, WB                                                                                                                             |
| Species Reactivity         | Rat                                                                                                                                                  |
| Conjugation                | Biotin                                                                                                                                               |
| Product Description        | Maintains thioredoxin in a reduced state. Implicated in the defenses against oxidative stress. May play a role in redox-regulated cell signaling.... |
| Clonality                  | Polyclonal                                                                                                                                           |
| Concentration              | 1ug/ul                                                                                                                                               |
| NCBI                       | <a href="#">10587</a>                                                                                                                                |
| UniProt                    | <a href="#">Q9NNW7</a>                                                                                                                               |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                              |

|                    |                                                                       |
|--------------------|-----------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human SELZ              |
| Target             | TRXRD2/SELZ                                                           |
| Application Dilute | WB(1:300-5000), ELISA(1:500-1000), IHC-P(1:200-400), IHC-F(1:100-500) |
