| Article Name               | Cystatin-C Monoclonal Antibody, AbBy Fluor-405 Conjugated, BF405, Mouse                                                                                    |
| Biozol Catalog Number      | BSS-BSM-43147M-BF405                                                                                                                                       |
| Supplier Catalog Number    | bsm-43147M-BF405                                                                                                                                           |
| Alternative Catalog Number | BSS-BSM-43147M-BF405-100                                                                                                                                   |
| Manufacturer               | Bioss                                                                                                                                                      |
| Host                       | Mouse                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                 |
| Application                | WB                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                      |
| Conjugation                | BF405                                                                                                                                                      |
| Product Description        | As an inhibitor of cysteine proteinases, this protein is thought to serve an important physiological role as a local regulator of this enzyme activity.... |
| Clonality                  | Monoclonal                                                                                                                                                 |
| Concentration              | 1ug/ul                                                                                                                                                     |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                     |
| Source                     | Recombinant human Cystatin-C protein                                                                                                                       |

|                    |                |
|--------------------|----------------|
| Target             | Cystatin-C     |
| Application Dilute | WB(1:300-5000) |
