| Article Name               | Cystatin-C Monoclonal Antibody, PE-Cy5 Conjugated, PE/Cy5, Mouse                                                                                           |
| Biozol Catalog Number      | BSS-BSM-43147M-PE-CY5                                                                                                                                      |
| Supplier Catalog Number    | bsm-43147M-PE-Cy5                                                                                                                                          |
| Alternative Catalog Number | BSS-BSM-43147M-PE-CY5-100                                                                                                                                  |
| Manufacturer               | Bioss                                                                                                                                                      |
| Host                       | Mouse                                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                                 |
| Application                | WB                                                                                                                                                         |
| Species Reactivity         | Human                                                                                                                                                      |
| Conjugation                | PE/Cy5                                                                                                                                                     |
| Product Description        | As an inhibitor of cysteine proteinases, this protein is thought to serve an important physiological role as a local regulator of this enzyme activity.... |
| Clonality                  | Monoclonal                                                                                                                                                 |
| Concentration              | 1ug/ul                                                                                                                                                     |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                     |
| Source                     | Recombinant human Cystatin-C protein                                                                                                                       |
| Target                     | Cystatin-C                                                                                                                                                 |
