| Article Name               | Axin 2 Recombinant Antibody, RBITC Conjugated, Rabbit                                                                                             |
| Biozol Catalog Number      | BSS-BSM-61459R-RBITC                                                                                                                              |
| Supplier Catalog Number    | bsm-61459R-RBITC                                                                                                                                  |
| Alternative Catalog Number | BSS-BSM-61459R-RBITC-100                                                                                                                          |
| Manufacturer               | Bioss                                                                                                                                             |
| Host                       | Rabbit                                                                                                                                            |
| Category                   | Antikörper                                                                                                                                        |
| Application                | WB                                                                                                                                                |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                 |
| Conjugation                | RBITC                                                                                                                                             |
| Product Description        | Inhibitor of the Wnt signaling pathway. Down-regulates beta-catenin. Probably facilitate the phosphorylation of beta-catenin and APC by GSK3B.... |
| Clonality                  | Recombinant                                                                                                                                       |
| Concentration              | Lot dependent                                                                                                                                     |
| NCBI                       | <a href="#">8313</a>                                                                                                                              |
| UniProt                    | <a href="#">Q9Y2T1</a>                                                                                                                            |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                            |

|                    |                                                            |
|--------------------|------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human Axin 2 |
| Target             | Axin 2                                                     |
| Application Dilute | WB(1:300-5000)                                             |
