| Alternative Catalog Number | BSS-BSM-61498R-HRP-100                                                                                                                                                                                |
| Manufacturer               | Bioss                                                                                                                                                                                                 |
| Host                       | Rabbit                                                                                                                                                                                                |
| Category                   | Antikörper                                                                                                                                                                                            |
| Application                | IHC-Fr, IHC-P, WB                                                                                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                     |
| Conjugation                | HRP                                                                                                                                                                                                   |
| Product Description        | Essential component of the mitotic checkpoint. Required for normal mitosis progression. The mitotic checkpoint delays anaphase until all chromosomes are properly attached to the mitotic spindle.... |
| Clonality                  | Recombinant                                                                                                                                                                                           |
| Concentration              | Lot dependent                                                                                                                                                                                         |
| NCBI                       | <a href="#">701</a>                                                                                                                                                                                   |
| UniProt                    | <a href="#">O60566</a>                                                                                                                                                                                |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                               |

|                    |                                                           |
|--------------------|-----------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human BUB1B |
| Target             | BubR1                                                     |
| Application Dilute | WB(1:300-5000), IHC-P(1:200-400), IHC-F(1:100-500)        |
