| Conjugation                | PerCP                                                                                                                                                                                                                         |
| Product Description        | Cadherins are calcium-dependent cell adhesion proteins. They preferentially interact with themselves in a homophilic manner in connecting cells, cadherins may thus contribute to the sorting of heterogeneous cell types.... |
| Clonality                  | Recombinant                                                                                                                                                                                                                   |
| Concentration              | Lot dependent                                                                                                                                                                                                                 |
| NCBI                       | <a href="#">1004</a>                                                                                                                                                                                                          |
| UniProt                    | <a href="#">P55285</a>                                                                                                                                                                                                        |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                                                                        |

|                    |                                                                |
|--------------------|----------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human Cadherin 6 |
| Target             | K Cadherin                                                     |
| Application Dilute | WB(1:300-5000), IF()                                           |
