| Article Name               | CRMP1 Recombinant Antibody, PE-Cy5 Conjugated, PE/Cy5, Rabbit                                                                                                       |
| Biozol Catalog Number      | BSS-BSM-61864R-PE-CY5                                                                                                                                               |
| Supplier Catalog Number    | bsm-61864R-PE-Cy5                                                                                                                                                   |
| Alternative Catalog Number | BSS-BSM-61864R-PE-CY5-100                                                                                                                                           |
| Manufacturer               | Bioss                                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                                          |
| Application                | FC, WB                                                                                                                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                   |
| Conjugation                | PE/Cy5                                                                                                                                                              |
| Product Description        | Necessary for signaling by class 3 semaphorins and subsequent remodeling of the cytoskeleton. Plays a role in axon guidance, invasive growth and cell migration.... |
| Clonality                  | Recombinant                                                                                                                                                         |
| Concentration              | Lot dependent                                                                                                                                                       |
| NCBI                       | <a href="#">1400</a>                                                                                                                                                |
| UniProt                    | <a href="#">Q14194</a>                                                                                                                                              |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                              |

|                    |                                                           |
|--------------------|-----------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human DRP 1 |
| Target             | CRMP1                                                     |
| Application Dilute | WB(1:300-5000), FCM(1ug/Test)                             |
