| Article Name               | Guanylyl Cyclase alpha 1 Recombinant Antibody, Cy3 Conjugated, Rabbit                                    |
| Biozol Catalog Number      | BSS-BSM-62410R-CY3                                                                                       |
| Supplier Catalog Number    | bsm-62410R-Cy3                                                                                           |
| Alternative Catalog Number | BSS-BSM-62410R-CY3-100                                                                                   |
| Manufacturer               | Bioss                                                                                                    |
| Host                       | Rabbit                                                                                                   |
| Category                   | Antikörper                                                                                               |
| Application                | WB                                                                                                       |
| Species Reactivity         | Human                                                                                                    |
| Conjugation                | Cy3                                                                                                      |
| Product Description        | Belongs to the adenylyl cyclase class-4/guanylyl cyclase family. Contains 1 guanylate cyclase domain.... |
| Clonality                  | Recombinant                                                                                              |
| Concentration              | Lot dependent                                                                                            |
| NCBI                       | <a href="#">2982</a>                                                                                     |
| UniProt                    | <a href="#">Q02108</a>                                                                                   |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.  |

|                    |                                                                 |
|--------------------|-----------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human GCS alpha 1 |
| Target             | Guanylyl Cyclase alpha 1                                        |
| Application Dilute | WB(1:300-5000)                                                  |
