| Category                   | Antikörper                                                                                                                                                                                              |
| Application                | FC, IF, WB                                                                                                                                                                                              |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                       |
| Conjugation                | BF750                                                                                                                                                                                                   |
| Product Description        | Neuronal calcium sensor, regulator of G protein-coupled receptor phosphorylation in a calcium dependent manner. Directly regulates GRK1 (RHOK), but not GRK2 to GRK5. Can substitute for calmodulin.... |
| Clonality                  | Recombinant                                                                                                                                                                                             |
| Concentration              | Lot dependent                                                                                                                                                                                           |
| NCBI                       | <a href="#">23413</a>                                                                                                                                                                                   |
| UniProt                    | <a href="#">P62166</a>                                                                                                                                                                                  |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from human NCS 1                                              |
| Target             | NCS1                                                                                                   |
| Application Dilute | WB(1:300-5000), IF(), FCM(1ug/Test)                                                                    |
