| Article Name               | CNTN4/AXCAM Recombinant Antibody, AbBy Fluor-405 Conjugated, BF405, Rabbit                                                                                           |
| Biozol Catalog Number      | BSS-BSM-62509R-BF405                                                                                                                                                 |
| Supplier Catalog Number    | bsm-62509R-BF405                                                                                                                                                     |
| Alternative Catalog Number | BSS-BSM-62509R-BF405-100                                                                                                                                             |
| Manufacturer               | Bioss                                                                                                                                                                |
| Host                       | Rabbit                                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                                           |
| Application                | IF, WB                                                                                                                                                               |
| Species Reactivity         | Human                                                                                                                                                                |
| Conjugation                | BF405                                                                                                                                                                |
| Product Description        | Contactins mediate cell surface interactions during nervous system development. Has some neurite outgrowth-promoting activity. May be involved in synaptogenesis.... |
| Clonality                  | Recombinant                                                                                                                                                          |
| Concentration              | Lot dependent                                                                                                                                                        |
| NCBI                       | <a href="#">152330</a>                                                                                                                                               |
| UniProt                    | <a href="#">Q8I WV2</a>                                                                                                                                              |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from human Contactin 4                                        |
| Target             | CNTN4/AXCAM                                                                                            |
| Application Dilute | WB(1:300-5000), IF()                                                                                   |
