| Article Name               | AGL Recombinant Antibody, APC Conjugated, Rabbit                                                                                                           |
| Biozol Catalog Number      | BSS-BSM-62521R-APC                                                                                                                                         |
| Supplier Catalog Number    | bsm-62521R-APC                                                                                                                                             |
| Alternative Catalog Number | BSS-BSM-62521R-APC-100                                                                                                                                     |
| Manufacturer               | Bioss                                                                                                                                                      |
| Host                       | Rabbit                                                                                                                                                     |
| Category                   | Antikörper                                                                                                                                                 |
| Application                | FC, IF, WB                                                                                                                                                 |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                          |
| Conjugation                | APC                                                                                                                                                        |
| Product Description        | Multifunctional enzyme acting as 1,4-alpha-D-glucan:1,4-alpha-D-glucan 4-alpha-D-glycosyltransferase and amylo-1,6-glucosidase in glycogen degradation.... |
| Clonality                  | Recombinant                                                                                                                                                |
| Concentration              | Lot dependent                                                                                                                                              |
| NCBI                       | <a href="#">178</a>                                                                                                                                        |
| UniProt                    | <a href="#">P35573</a>                                                                                                                                     |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                     |

|                    |                                                         |
|--------------------|---------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human AGL |
| Target             | AGL                                                     |
| Application Dilute | WB(1:300-5000), IF(), FCM(1ug/Test)                     |
