| Article Name               | SEMA4D Recombinant Antibody, AbBy Fluor-647 Conjugated, BF647, Rabbit                                                                       |
| Biozol Catalog Number      | BSS-BSM-62573R-BF647                                                                                                                        |
| Supplier Catalog Number    | bsm-62573R-BF647                                                                                                                            |
| Alternative Catalog Number | BSS-BSM-62573R-BF647-100                                                                                                                    |
| Manufacturer               | Bioss                                                                                                                                       |
| Host                       | Rabbit                                                                                                                                      |
| Category                   | Antikörper                                                                                                                                  |
| Application                | IF, WB                                                                                                                                      |
| Species Reactivity         | Human                                                                                                                                       |
| Conjugation                | BF647                                                                                                                                       |
| Product Description        | Cell surface receptor for PLXNB1 and PLXNB2 that plays an important role in cell-cell signaling.Regulates GABAergic synapse development.... |
| Clonality                  | Recombinant                                                                                                                                 |
| Concentration              | Lot dependent                                                                                                                               |
| NCBI                       | <a href="#">10507</a>                                                                                                                       |
| UniProt                    | <a href="#">Q92854</a>                                                                                                                      |

|                    |                                                                                                        |
|--------------------|--------------------------------------------------------------------------------------------------------|
| Buffer             | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source             | KLH conjugated synthetic peptide derived from human Semaphorin 4D                                      |
| Target             | SEMA4D                                                                                                 |
| Application Dilute | WB(1:300-5000), IF()                                                                                   |
