## Product Datasheet

### ARFRP1 Recombinant Antibody, PE-Cy5 Conjugated, PE/Cy5, Rabbit BSS-BSM-62594R-PE-CY5

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Article Name               | ARFRP1 Recombinant Antibody, PE-Cy5 Conjugated, PE/Cy5, Rabbit                                         |
| Biozol Catalog Number      | BSS-BSM-62594R-PE-CY5                                                                                  |
| Supplier Catalog Number    | bsm-62594R-PE-Cy5                                                                                      |
| Alternative Catalog Number | BSS-BSM-62594R-PE-CY5-100                                                                              |
| Manufacturer               | Bioss                                                                                                  |
| Host                       | Rabbit                                                                                                 |
| Category                   | Antikörper                                                                                             |
| Application                | WB                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                      |
| Conjugation                | PE/Cy5                                                                                                 |
| Product Description        | Possibly involved in plasma membrane-related signaling events....                                      |
| Clonality                  | Recombinant                                                                                            |
| Concentration              | Lot dependent                                                                                          |
| NCBI                       | <a href="#">10139</a>                                                                                  |
| UniProt                    | <a href="#">Q13795</a>                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol. |
| Source                     | KLH conjugated synthetic peptide derived from human ARP                                                |
| Target                     | ARFRP1                                                                                                 |

|                    |                |
