| Article Name               | Cystatin B Recombinant Antibody, AbBy Fluor-594 Conjugated, BF594, Rabbit                                              |
| Biozol Catalog Number      | BSS-BSM-62596R-BF594                                                                                                   |
| Supplier Catalog Number    | bsm-62596R-BF594                                                                                                       |
| Alternative Catalog Number | BSS-BSM-62596R-BF594-100                                                                                               |
| Manufacturer               | Bioss                                                                                                                  |
| Host                       | Rabbit                                                                                                                 |
| Category                   | Antikörper                                                                                                             |
| Application                | IF, WB                                                                                                                 |
| Species Reactivity         | Human, Rat                                                                                                             |
| Conjugation                | BF594                                                                                                                  |
| Product Description        | This is an intracellular thiol proteinase inhibitor. Tightly binding reversible inhibitor of cathepsins L, H and B.... |
| Clonality                  | Recombinant                                                                                                            |
| Concentration              | Lot dependent                                                                                                          |
| NCBI                       | <a href="#">1476</a>                                                                                                   |
| UniProt                    | <a href="#">P04080</a>                                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                 |

|                    |                                                                |
|--------------------|----------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human Cystatin B |
| Target             | Cystatin B                                                     |
| Application Dilute | WB(1:300-5000), IF()                                           |
