### USF-1 Recombinant Antibody, HRP Conjugated, Rabbit BSS-BSM-62624R-HRP

|                            |                                                                                                                                                     |
|----------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| Article Name               | USF-1 Recombinant Antibody, HRP Conjugated, Rabbit                                                                                                  |
| Biozol Catalog Number      | BSS-BSM-62624R-HRP                                                                                                                                  |
| Supplier Catalog Number    | bsm-62624R-HRP                                                                                                                                      |
| Alternative Catalog Number | BSS-BSM-62624R-HRP-100                                                                                                                              |
| Manufacturer               | Bioss                                                                                                                                               |
| Host                       | Rabbit                                                                                                                                              |
| Category                   | Antikörper                                                                                                                                          |
| Application                | WB                                                                                                                                                  |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                                   |
| Conjugation                | HRP                                                                                                                                                 |
| Product Description        | Transcription factor that binds to a symmetrical DNA sequence (E-boxes) (5-CACGTG-3) that is found in a variety of viral and cellular promoters.... |
| Clonality                  | Recombinant                                                                                                                                         |
| Concentration              | Lot dependent                                                                                                                                       |
| NCBI                       | <a href="#">7391</a>                                                                                                                                |
| UniProt                    | <a href="#">P22415</a>                                                                                                                              |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                             |

|                    |                                                          |
|--------------------|----------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human USF1 |
| Target             | USF-1                                                    |
| Application Dilute | WB(1:300-5000)                                           |
