| Article Name               | MVK Recombinant Antibody, Biotin Conjugated, Rabbit                                                                              |
| Biozol Catalog Number      | BSS-BSM-62627R-BIOTIN                                                                                                            |
| Supplier Catalog Number    | bsm-62627R-Biotin                                                                                                                |
| Alternative Catalog Number | BSS-BSM-62627R-BIOTIN-100                                                                                                        |
| Manufacturer               | Bioss                                                                                                                            |
| Host                       | Rabbit                                                                                                                           |
| Category                   | Antikörper                                                                                                                       |
| Application                | WB                                                                                                                               |
| Species Reactivity         | Human                                                                                                                            |
| Conjugation                | Biotin                                                                                                                           |
| Product Description        | Catalyzes the phosphorylation of mevalonate to mevalonate 5-phosphate, a key step in isoprenoid and cholesterol biosynthesis.... |
| Clonality                  | Recombinant                                                                                                                      |
| Concentration              | Lot dependent                                                                                                                    |
| NCBI                       | <a href="#">4598</a>                                                                                                             |
| UniProt                    | <a href="#">Q03426</a>                                                                                                           |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                          |

|                    |                                                                       |
|--------------------|-----------------------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human Mevalonate kinase |
| Target             | MVK                                                                   |
| Application Dilute | WB(1:300-5000)                                                        |
