| Biozol Catalog Number      | BSS-BSM-62674R-APC                                                                                                                                                            |
| Supplier Catalog Number    | bsm-62674R-APC                                                                                                                                                                |
| Alternative Catalog Number | BSS-BSM-62674R-APC-100                                                                                                                                                        |
| Manufacturer               | Bioss                                                                                                                                                                         |
| Host                       | Rabbit                                                                                                                                                                        |
| Category                   | Antikörper                                                                                                                                                                    |
| Application                | IF, WB                                                                                                                                                                        |
| Species Reactivity         | Human                                                                                                                                                                         |
| Conjugation                | APC                                                                                                                                                                           |
| Product Description        | Kinase that can phosphorylate various inositol polyphosphate such as Ins(3,4,5,6)P4 or Ins(1,3,4)P3. Phosphorylates Ins(3,4,5,6)P4 at position 1 to form Ins(1,3,4,5,6)P5.... |
| Clonality                  | Recombinant                                                                                                                                                                   |
| Concentration              | Lot dependent                                                                                                                                                                 |
| NCBI                       | <a href="#">3705</a>                                                                                                                                                          |
| UniProt                    | <a href="#">Q13572</a>                                                                                                                                                        |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                                                        |

|                    |                                                           |
|--------------------|-----------------------------------------------------------|
| Source             | KLH conjugated synthetic peptide derived from human ITPK1 |
| Target             | ITPK1                                                     |
| Application Dilute | WB(1:300-5000), IF()                                      |
