| Article Name               | FRG1 Recombinant Antibody, Biotin Conjugated, Rabbit                                                                                   |
| Biozol Catalog Number      | BSS-BSM-62849R-BIOTIN                                                                                                                  |
| Supplier Catalog Number    | bsm-62849R-Biotin                                                                                                                      |
| Alternative Catalog Number | BSS-BSM-62849R-BIOTIN-100                                                                                                              |
| Manufacturer               | Bioss                                                                                                                                  |
| Host                       | Rabbit                                                                                                                                 |
| Category                   | Antikörper                                                                                                                             |
| Application                | WB                                                                                                                                     |
| Species Reactivity         | Human, Mouse, Rat                                                                                                                      |
| Conjugation                | Biotin                                                                                                                                 |
| Product Description        | May have a role in processing of pre-rRNA or in the assembly of rRNA into ribosomal subunits. May be involved in pre-mRNA splicing.... |
| Clonality                  | Recombinant                                                                                                                            |
| Concentration              | Lot dependent                                                                                                                          |
| NCBI                       | <a href="#">2483</a>                                                                                                                   |
| UniProt                    | <a href="#">Q14331</a>                                                                                                                 |
| Buffer                     | Aqueous buffered solution containing 0.01M TBS (pH 7.4) with 1% BSA, 0.02% Proclin300 and 50% Glycerol.                                |
| Source                     | KLH conjugated synthetic peptide derived from human FRG1                                                                               |

|                    |                |
|--------------------|----------------|
| Target             | FRG1           |
| Application Dilute | WB(1:300-5000) |
