| Category                   | Antikörper                                                                                                                                                                                                                                                    |
| Application                | ICC, IHC                                                                                                                                                                                                                                                      |
| Species Reactivity         | Human, Mouse, Primate, Rat                                                                                                                                                                                                                                    |
| Immunogen                  | Protein amino acids 1-902 (full-length) of rat Aldh1L1 (accession number P28037) produced recombinantly in E. Coli                                                                                                                                            |
| Conjugation                | FL650                                                                                                                                                                                                                                                         |
| Product Description        | Our chicken Anti-Aldh1L1 recombinant monoclonal antibody is a chimeric antibody derived from NeuroMab clone N103/39. It detects human, mouse, non-human primate, and rat Aldh1L1, and is purified by affinity chromatography. It is great for use in ICC, ... |
| Clonality                  | Recombinant                                                                                                                                                                                                                                                   |
| Concentration              | 0.5 mg/mL                                                                                                                                                                                                                                                     |
| Clone Designation          | [N103/39]                                                                                                                                                                                                                                                     |
