## Product Datasheet

### **Recombinant Progesterone Receptor Antibody, Clone: [PGR/6854R], Rabbit, Monoclonal NSJ-V8885-100UG**

|                            |   |
|----------------------------|---|
| Article Name               | Recombinant Progesterone Receptor Antibody, Clone: [PGR/6854R],<br>Rabbit, Monoclonal   |
| Biozol Catalog Number      | NSJ-V8885-100UG   |
| Supplier Catalog Number    | V8885-100UG   |
| Alternative Catalog Number | NSJ-V8885-100UG   |
| Manufacturer               | NSJ Bioreagents   |
| Host                       | Rabbit  |
| Category                   | Antikörper  |
| Application                | IHC-P   |
| Species Reactivity         | Human   |
| Immunogen                  | A portion of amino acids 400-600 was used as the immunogen for the recombinant Progesterone Receptor antibody.  |
| Product Description        | Progesterone is one of the central regulators of female reproduction. In breast development, progesterone is involved in the formation of lobular-alveolar structures and also affects differentiation in the breast by modulation of milk protein syntheses... |
| Clonality                  | Monoclonal  |
| Clone Designation          | [PGR/6854R]   |
| UniProt                    | <a href="#">P06401</a>  |
| Purity                     | Protein A/G affinity  |

|                    |  |
|--------------------|--|
| Form               | 0.2 mg/ml in 1X PBS with 0.1 mg/ml BSA (US sourced), 0.05% sodium azide                                    |
| Antibody Type      | Primary Antibody   |
| Application Dilute | Immunohistochemistry (FFPE): 1-2ug/ml  |
| Application Notes  | Optimal dilution of the recombinant Progesterone Receptor antibody should be determined by the researcher. |
