| Article Name               | SOX9 Antibody, Clone: [SOX9/2104], Mouse, Monoclonal                              |
| Biozol Catalog Number      | NSJ-V8965SAF-100UG                                                                |
| Supplier Catalog Number    | V8965SAF-100UG                                                                    |
| Alternative Catalog Number | NSJ-V8965SAF-100UG                                                                |
| Manufacturer               | NSJ Bioreagents                                                                   |
| Host                       | Mouse                                                                             |
| Category                   | Antikörper                                                                        |
| Application                | IHC-P                                                                             |
| Species Reactivity         | Human                                                                             |
| Immunogen                  | A portion of amino acids 393-508 was used as the immunogen for the SOX9 antibody. |
| Product Description        | SOX9 plays an important role in the normal skeletal development....               |
| Clonality                  | Monoclonal                                                                        |
| Clone Designation          | [SOX9/2104]                                                                       |
| UniProt                    | <a href="#">P48436</a>                                                            |
| Purity                     | Protein A/G affinity                                                              |
| Form                       | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                    |
| Antibody Type              | Primary Antibody                                                                  |
| Application Dilute         | Immunohistochemistry (FFPE): 1-2ug/ml                                             |

Application Notes

Optimal dilution of the SOX9 antibody should be determined by the researcher.
