| Manufacturer               | NSJ Bioreagents                                                                                                                                                                                                     |
| Host                       | Mouse                                                                                                                                                                                                               |
| Category                   | Antikörper                                                                                                                                                                                                          |
| Application                | IHC-P                                                                                                                                                                                                               |
| Species Reactivity         | Human                                                                                                                                                                                                               |
| Immunogen                  | A portion of amino acids 650-750 was used as the immunogen for the MCM2 antibody.                                                                                                                                   |
| Product Description        | MCM2 is a component of the MCM2-7 complex (MCM complex) which is the putative replicative helicase essential for once per cell cycle DNA replication initiation and elongation in eukaryotic cells.<br>[UniProt]... |
| Clonality                  | Monoclonal                                                                                                                                                                                                          |
| Clone Designation          | [MCM2/3678]                                                                                                                                                                                                         |
| UniProt                    | <a href="#">P49736</a>                                                                                                                                                                                              |
| Purity                     | Protein A/G affinity                                                                                                                                                                                                |
| Form                       | 1 mg/ml in 1X PBS, BSA free, sodium azide free                                                                                                                                                                      |

|                    |                                                                               |
|--------------------|-------------------------------------------------------------------------------|
| Antibody Type      | Primary Antibody                                                              |
| Application Dilute | Immunohistochemistry (FFPE): 1-2ug/ml                                         |
| Application Notes  | Optimal dilution of the MCM2 antibody should be determined by the researcher. |
