| Species Reactivity         | Human, Mouse, Rat                                                                                                                                                                                                                                         |
| Immunogen                  | Fusion protein amino acids 10-130 of rat PICK1 (accession number AAG48152) produced recombinantly in E. Coli                                                                                                                                              |
| Conjugation                | FL490                                                                                                                                                                                                                                                     |
| Product Description        | Our Anti-PICK1 mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone L20/8. It is KO validated, detects human, mouse, and rat PICK1, and is purified by Protein A chromatography. It is great for use in IHC, ICC.... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                |
| Concentration              | 0.5 mg/mL                                                                                                                                                                                                                                                 |
| Clone Designation          | [L20/8]                                                                                                                                                                                                                                                   |

|                   |                                              |
|-------------------|----------------------------------------------|
| Molecular Weight  | 45 kDa                                       |
| Isotype           | IgG2a                                        |
| UniProt           | <a href="#">Q9NRD5</a>                       |
| Buffer            | PBS with 0.09% azide                         |
| Target            | PICK1                                        |
| Antibody Type     | Primary Antibody                             |
| Application Notes | Format: Purified by Protein A chromatography |
