| Immunogen                  | Synthetic peptide amino acids 477-498 of human Wave1/Wasp family 1(CQVIPASEPKRHPSTLPVISDAR, accession number Q92558)                                                                                                                                          |
| Conjugation                | FL550                                                                                                                                                                                                                                                         |
| Product Description        | Our Anti-WAVE1/SCAR mouse monoclonal primary antibody from NeuroMab is produced in-house from hybridoma clone K91/36. It is KO validated, detects human, mouse, and rat WAVE1/SCAR, and is purified by Protein A chromatography. It is great for use in IH... |
| Clonality                  | Monoclonal                                                                                                                                                                                                                                                    |
| Concentration              | 0.5 mg/mL                                                                                                                                                                                                                                                     |
| Clone Designation          | [K91/36]                                                                                                                                                                                                                                                      |

|                   |                                              |
|-------------------|----------------------------------------------|
| Molecular Weight  | 75 kDa                                       |
| Isotype           | IgG1                                         |
| UniProt           | <a href="#">Q92558</a>                       |
| Buffer            | PBS with 0.09% azide                         |
| Target            | WAVE1/SCAR                                   |
| Antibody Type     | Primary Antibody                             |
| Application Notes | Format: Purified by Protein A chromatography |
